RE [REDACTED]

According to information in Bureau files, the Mattachine Society of Washington was organized in January, 1962, and in 1963 had approximately 300 members in the metropolitan area. This society purports to discuss and act upon all problems relating to the homosexual both general and specific. Its press releases state that the primary aim is directed against the discriminatory policy of the Civil Service Commission which discriminates against homosexuals and attempting to change the policies of the Armed Forces of the United States in their treatment of such individuals. This society believes that civilian and military personnel and those in private industry who are homosexuals should no longer be regarded as security risks. Their efforts have been intensified to bring about legislation which would change this and they are also interested in having local laws changed so there will be no legal action taken against homosexuals. On 10/23/65 approximately 35 individuals picketed the White House to protest discrimination and hostility against homosexual Americans. This demonstration was allegedly sponsored by the Mattachine Society of Washington. **b6**

No record of the letter can be found that [REDACTED] is reported to have sent to the Director and other high Government officials; however, [REDACTED] may have had reference to the letter which was sent to the President following this demonstration. This letter was signed by [REDACTED] a member of the Mattachine Society, and contains details concerning their grievances as described above. No identifiable information could be located in Bureau files [REDACTED] under his true name or alias other than his alias being listed on the staff of the Gazette. Metropolitan Police Department records were also checked with negative results and only show a 1964 traffic citation [REDACTED] **b6**

[REDACTED] advised him that he was writing articles for homosexual magazines and approximately two or three months ago related that he was the Executive Director of the Mattachine Society which involved considerable travel. In this regard, a check of Bureau files disclosed a May, 1965, edition of the Eastern Mattachine Magazine and Warren Adkins [REDACTED] was listed as being on the staff of the Gazette which is apparently a publication of the Mattachine Society of Washington. [REDACTED] exhibited letters which he had prepared on behalf of the Mattachine Society to ministers, priests and all high Government officials including the Director.
